

2016-2017 Website and Digital Resources

Welcome to the website that is part of our Legacy. 2016-17 Leavers' Legacy is all about digital technology. We have created and manage the website you are now using! We also raised money for I pads and computers. If we buy one I pad with a case it will cost £187.33 and a laptop will cost £364.77. Our final total was £2856.35 and we have bought laptop computers and I Pads. Our fundraising was through donations, a bike raffle, Christmas Fair, Christmas fun day, Ipad raffle and we organised a quiz night.
