

The Final Result

This year the P7's chose to redecorate and refurbish the P7 classroom because it was dull and old-fashioned. We are delighted with the final outcome of the P7 classroom and hope that all the future classes will enjoy learning in the brighter environment. We have raised a grand total of £3736.17 by doing lots of fundraisers throughout the year such as Tuckshop Tuesday, Raffles, Christmas Fun Day and a Bag Pack at Tesco. With the money we raised we managed to get the classroom re-painted, get a new carpet, tables, chairs, furniture and beanbags. We chose a colour scheme of lime green, purple and cyan blue because we thought that they were bright colours which could be enjoyed by all the future pupils. We are so happy that we were able to do this to one of the oldest classrooms in the school.
