

## 2018 - 2019 New Role Play Equipment for the Nursery

This year it was decided to buy new role play equipment for the nursery. We raised the money by holding St Fergus' got Talent, selling raffles for an Easter Hamper and the nursery were so excited that the Leavers' Legacy was for them that they even helped too by having a Christmas Fun Day and Bake Sale. The total raised was £1165.30. We worked alongside the Nursery staff to choose the equipment and after a few weeks when the order arrived, we had to help put it all together. Then we had a Grand Opening ceremony.
